Re: Highway 17 Bicycle and Pedestrian Overcrossing Project

Dear Ohlone Court Neighbors and Los Gatos Glen Homeowners Association:

Thank you for participating in the August 25 Community meeting and the September 1 Town Council meeting to express your ideas and concerns about this project. We have also thoroughly reviewed your letter to the Town Council dated August 31, 2020.

At its September 1 meeting, the Town Council approved the staff recommendations. Just to clarify, this is not a decision to approve the final design, or an authorization to start construction. We are about three years away from completing the project final design, and longer before construction starts. As promised at both meetings, staff is committed to continuing the dialog with you and the entire Los Gatos community on the design. There will be plenty of opportunities for all to provide input.

The September 1 Town Council decision was necessary to move the project forward to the next phase, in which additional engineering and environmental work can be conducted to answer many of the questions the community raised, including the exact overcrossing alignment, the width and height of the approach paths, and environmental impacts.

We understand that at the community meeting or the Council meeting we didn't have sufficient time or information to go into details to respond to some of the questions. The project team is available to discuss any part of the project in detail with anyone who is interested in it. We would like to suggest a visit to your neighborhood to meet with anyone who is interested in this project. Please let us know if this is something you would like to schedule. If there is interest, we can discuss the logistics of an in-person meeting in more detail.

In the meantime, we are finalizing the Feasibility Study and preparing a Frequently Asked Questions (FAQ) document. When these are ready, we will provide them on the project website: <https://www.losgatosca.gov/2556/Hwy-17-Bicycle-Pedestrian-Overcrossing>

Thank you again for your input and we look forward to hearing from you about your thoughts on the neighborhood meeting.

Ying

Subject: Neighborhood Meeting regarding the Highway 17 Bicycle and Pedestrian Overcrossing Project

Dear Ohlone Court Residents and Los Gatos Glen Homeowners Association,

As a follow up to my email sent on September 23, I would like to check with you to identify a preferred date and time for the neighborhood meeting. As described previously, the project team would like to have on-site visit to your neighborhood, with proper social distancing. At this point we have identified three potential dates and times for this meeting:

Monday, October 19th at 10-11:30 am

Monday, October 19th at 4:00-5:30 pm

Monday, November 2nd at 10-11:30 am

Please participate in this quick poll [https://www.surveymonkey.com/r/BPOC\\_Meeting\\_Time](https://www.surveymonkey.com/r/BPOC_Meeting_Time) to select the best choice for you. Your responses will be used to solidify a time and date that works for the most residents.

We look forward to listening to your needs and concerns about the Highway 17 Bicycle and Pedestrian Overcrossing Project. We are also interested in your ideas on how to best design this project. Your input will help us in defining the next steps in project design, environmental analysis and community engagement.

Please participate in this poll before Wednesday, October 14th. We will be in touch with the finalized meeting date and time by Thursday October 15th.

Please reach out with any questions or comments and share the information with other neighbors. Thank you again for your input and for your time!

**Oct 19th 4:00-5:30pm Neighborhood Meeting: Hwy 17 Bike & Ped Overcrossing**  
**Sent on October 15<sup>th</sup>**

Dear Ohlone Court Residents and Los Gatos Glen Homeowners Association,

Thank you for participating in the quick poll to identify a time and date that works for the most residents. The poll results show that Monday, October 19<sup>th</sup> from 4:00-5:30pm is an ideal time slot for the majority of neighbors that participated in the poll.

Staff prepared a door hanger notification for the meeting that has been distributed throughout the neighborhood.

Please note, the brief staff presentation will be recorded, and any questions posed by you and your neighbors will be documented to be made available to any neighbors who cannot make the meeting during this time.

We look forward to listening to your needs and concerns about the Highway 17 Bicycle and Pedestrian Overcrossing Project. We are also interested in your ideas on how to best design this project. Your input will help us in defining the next steps in project design, environmental analysis and community engagement.

Again, please reach out with any questions or comments. We look forward to seeing you all in person on Monday, at the end of Ohlone Court at 4pm. Please do not forget your mask!
